

PAUL ROSEN

Team Canada's Paralympic netminder has joined the Road Hockey To Conquer Cancer team!

After losing his lower leg to amputation, Paul Rosen set his sights on continuing his love of the game by turning to sledge hockey. He was selected as goaltender on the Canadian National Sledge Hockey Team, competing at the 2002 and 2006 Winter Paralympics. At the latter tournament, held in Turin, Italy, Rosen led Team Canada to a gold medal. Paul is also a highly respected motivational speaker. "My message to people is that no matter what your age or your situation, you can overcome anything if you just believe in yourself and put your mind to it. And most of all, never give up."
